- We will use all ASB powers and tools available to us when appropriate.
- We will ensure victims and witnesses receive the appropriate support, with particular emphasis on repeat and vulnerable victims.

What is anti-social behaviour?

Anti-social behaviour is any aggressive, intimidating or destructive activity that damages or destroys another person's quality of life.

Examples include:

- riding mopeds or scooters through estate roads and paths
- vandalism and graffiti (these are criminal offences for which you could be arrested)
- blocking stairways, walkways, entrances or paths
- playing loud music
- shouting and yelling near to people's homes
- climbing on roofs or property that does not belong to you
- playing noisy or aggressive games near to people's homes
- playing football against people's homes or fences

Any of these activities can make an area frightening and unpleasant to live, work and relax in. This is not right, and Officers from Blaby District Community Partnership will take action against those involved.
