

## Equality Impact and Needs Assessment (INA) Form

Name of the policy, function or project    Development & Conservation Section

Service:        Development & Asset Management

Complete this form for any existing/proposed policy/function/project regardless of whether it is aimed at external customers or internal staff. Please also be aware that equality policy applies to staffing/human resources issues as much as to external service delivery issues. Please note that existing policies/functions will be assessed as per an agreed annual programme.

Answer every question – even if it is negative.

If you conclude that there is a negative impact you will need to review the policy/function/project to improve the equalities performance and minimise or remove the impact. This should be done using the 'Improvement Actions Planned' table. Where appropriate such actions should be included in your Service Plan for the following year.

If the Corporate Equalities Group (CEG) feels this impact assessment needs further consideration, **you will be asked to review your conclusions.**

As a result of this exercise, you will have checked that your policy/function/project does not have negative/adverse impacts in terms of Gender, Race, Disability, Age, Sexual Orientation, Religion or Belief (equality target groups) or if it does you will have identified relevant actions needed to minimise or remove such impact and their likely resource implications.

**This is not simply a paper exercise – it is designed to make sure that your policy/function/project and service (development) is delivered fairly and effectively to all sections of our local community, and our employees!**

Please note that the Council is required to publish the results of these assessments, and update; therefore **your completed form may be a public document.**

Once completed, please pass this form, together with documentation describing both the policy/function/project it concerns and any evidence relating to assessed impacts, to Alison Moran, Performance Manager in the first instance. *(If this is a new policy/service/procedure/function/project this form will also need to be attached to your Cabinet or Council report)*

To complete the form using 'check marks' in the boxes, position the cursor over the box you require, left double click, then select 'checked' in the 'check box form field options' box that appears on screen.

**a. Preparation**

The work on this section should be done in advance and be used as part of your INA. Please attach examples of available evidence, including monitoring information, research and consultation reports.

2. If you have answered 'yes' to the above questions your monitoring data should be compared to the current available census data to see whether a proportionate number of people are taking up your service. Please make any comments regarding service take up if relevant:

If you have answered 'no' please explain reasons for lack of relevant data:

Began collecting data from 1 April 2009. Potentially the service impacts on the entire population of the District.

3. Are you aware of any relevant equality or diversity related consultation, research, or good practice guidance in relation to this area? If so then please list and attach here:

## c. Impact Assessment

1. Complete the following tables for each equality target group, by inserting a check mark or tick in one of the 3 options columns - Positive impact, Negative impact, Neutral.

- ★ Consider the information gathered in Section (a) of this form, compare monitoring information with census data, and considering any other evidence, research or consultations, identify any instances where you believe people in different equality groups could be impacted differentially.
- ★ This is particularly important where you think that the policy/function/project could have a **negative impact** on any of the equality target groups, i.e. it could disadvantage them, but also
- Where you think that the policy/function/project could have a **positive impact** on any of the equality target groups or contribute to promoting equality, equal opportunities or improving relations within equality target groups
- Otherwise, if you think that neither negative nor positive apply, then choose **neutral impact**
- Note that only **one** type of impact can be applicable for any particular equality group category e.g. male or female.
- **In all cases, please state briefly the reason/rationale for your assessment.**

a) How will the policy/function/project/procedure impact on men and women? e.g. flexible working arrangements might have a positive impact on women with caring responsibilities

| Gender | Positive impact          | Negative impact          | Neutral | Reason/Rationale for Assessment |
|--------|--------------------------|--------------------------|---------|---------------------------------|
| Male   | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |
| Female | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |

b) How will the policy/function/project/procedure impact on people from different or minority ethnic communities? This may involve using Council services differently, e.g. will Muslim women use the Council's swimming pool more often if separate sex swimming arrangements are in place?

| Ethnicity             | Positive impact          | Negative impact          | Neutral | Reason/Rationale for Assessment |
|-----------------------|--------------------------|--------------------------|---------|---------------------------------|
| White                 | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |
| Mixed (White & Asian) | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |
| Asian                 | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |
| Black                 | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |
| Other ethnic group    | <input type="checkbox"/> | <input type="checkbox"/> | ✓       |                                 |

c) How will the policy/function/project/procedure impact on people with disabilities, e.g. if information about Council Tax benefits are not made available in large print or alternative formats, access to such benefits might be denied to people with a visual impairment or learning disability.

| <b>Disability/Health</b>   | <b>Positive impact</b>   | <b>Negative impact</b>   | <b>Neutral</b> | <b>Reason/Rationale for Assessment</b> |
|--|--------------------------|--------------------------|----------------|--|
| Visually impaired  | <input type="checkbox"/> | <input type="checkbox"/> | ✓              |  |
| Hearing impairment   | <input type="checkbox"/> | <input type="checkbox"/> | ✓              |  |

d) Does the policy/function/project/procedure impact on people differently based on their age, e.g. a job advertisement that requires at least ten years post qualification experience would clearly prevent people in their twenties from applying

| <b>Age Group</b>    | <b>Positive impact</b>   | <b>Negative impact</b>   | <b>Neutral</b> | <b>Reason/Rationale for Assessment</b> |
|---------------------|--------------------------|--------------------------|----------------|--|
| Children (under 16) | <input type="checkbox"/> | <input type="checkbox"/> | ✓              |  |

e) Does the policy/function/project/procedure impact on people differently based on their sexual orientation, e.g. if housing policy is only to offer temporary accommodation to couples of different sex a gay or lesbian couple would be unable to be housed

| <b>Sexual Orientation</b> | <b>Positive impact</b>   | <b>Negative impact</b>   | <b>Neutral</b> | <b>Reason/Rationale for Assessment</b> |
|---------------------------|--------------------------|--------------------------|----------------|--|
| Heterosexual              | <input type="checkbox"/> | <input type="checkbox"/> | ✓              |  |

f) Does the policy/function/project/procedure impact on people differently based on their religion or belief e.g. would a person of the Hindu religion be able to give a binding affirmation if a procedure requires the swearing of an oath on the Bible?

If you conclude that there is a **negative impact** in one or more of the target groups you will need to **amend the policy/function/project and/or take further action, to minimise or remove the impact** This should be done using the 'Improvement Actions Plan' table overleaf. If you think that other actions could be taken **to increase any positive impacts**, please include these too. Where appropriate, such actions should be included in your current/proposed Service Plan.

## Impact & Needs Assessment: Improvement Actions Plan

Please list below any recommendations for action to improve the equalities performance of the policy/function/project that you plan to take as a result of this impact assessment. This could be to change the policy itself or involve other initiatives. Where appropriate, these actions should also be included in your current/proposed Service Plan.
