

Housing Services

In November 2008, the Council transferred its housing stock to Three Oaks Homes.

The Council still provides a number of housing services within the Housing and Community Services Group, which include;

- Homelessness;
- Homelessness Prevention;
- Housing Advice and Assistance;
- Management of the Housing Register;
- Resident Support Workers;
- Community Safety;
- Private Sector Housing;
- Housing Benefits;
- Housing Strategy

The Housing and Community Services Group are working together to create strategies and policies which;

- Provide help and support for vulnerable and hard to reach households in the district.
- Continue to improve our excellent reputation for dealing with homelessness.
- Streamline service provision for our customers.
- Make our communities safer places to live, work and visit.
- Provide opportunities for local people and service providers to contribute their views.
