Lifeline Services

Living alone can be a worry for many elderly people as well as those with disabilities – but most prefer to be as independent as possible ...

Blaby District Council offers a well-established, and highly reliable Lifeline Support Monitoring Service which, for a very reasonable price, offers complete peace of mind for the independent elderly/disabled and their families and friends.

We provide a very easy to use and reliable unit attached to your own telephone, which will ensure you can get help in an emergency should you need it, any time of the day or night.

Our friendly staff also have many years of experience in this vital service ...
