

FREE Workshops for those interested in Self Employment

Be Your Own Boss

Work for Yourself and be a Success!

Are you considering becoming Self Employed?
If the answer is "YES", then there will be so many questions you need answers to.
One of those questions might be...

What do I do before I start?

Starting a business is probably one of the most life changing decisions you will ever make. You need to plan it fully before you start and you will need professional guidance and advice to help you make that decision to move forward.

Why not attend one of our FREE workshops?

There is a series of six workshops covering a variety of subjects ranging from "The Business Plan" to "Sales & Marketing". They are designed to support you with your business idea and during your initial growth period. You can attend all six workshops or pick the ones that you feel are relevant to your needs.

As part of the package you have the chance to meet with your Personal Business Advisor.

If you are interested in reserving a place on any of the workshops listed, please call us on
